## 47.305-15 Loading responsibilities of contractors.

(a)

- (1) Contractors are responsible for loading, blocking, and bracing carload shipments as specified in standards published by the Association of American Railroads.
- (2) The contracting officer shall insert in solicitations and contracts the clause at <u>52.247-58</u>, Loading, Blocking, and Bracing of Freight Car Shipments, when supplies may be shipped in carload lots by rail.
- (b) If the nature of the supplies or safety, environmental, or transportability factors require special methods for securing the supplies on the carrier's equipment, or if only a special mode of transportation or type vehicle is appropriate, the contracting officer shall include in solicitations detailed specifications that have been coordinated with the transportation office.
